

UKValuation launches on Mortgage Brain Premier!

Now available on your Mortgage Brain Premier system...

UKValuation, the first provider to launch an Automated Valuation Model (AVM) in the UK have joined Mortgage Brain to deliver users with real time computer-generated valuations of residential properties - in seconds!

Users of Mortgage Brain Premier are invited to take full advantage of the 'Dealchecker' product by **UKValuation**. Fast, efficient and simple to use, see how this new service could help your business...

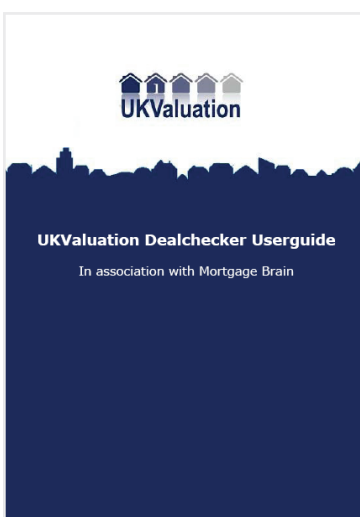

- > **Save time** - With 'Dealchecker' you can confirm the value of the residential property being sold, purchased or refinanced in seconds!
- > **Satisfy TCF** - Know the customers circumstances before giving advice, outcome 4 of the TCF guidelines.
- > **Save money** - Using 'Dealchecker' you can establish the basics before sourcing a product and submitting an application, avoiding any changes to a different product further down the line when the estimated value was proven to be inaccurate.
- > **Simplicity** - quick and easy to use.

Get started with UKValuation today...

Mortgage Brain Premier users can now link directly to the **UKValuation** website and get a reliable, cost effective valuation of any residential property. Users can benefit from a 50% discount - you pay just £5* per month per user for an unlimited number of UK residential valuations during each calendar month. *plus VAT

To start using UKValuation today, simply select 'Home Valuation' from the main menu of Mortgage Brain Premier. You will see the link to the UKValuation website, simply click on it and enter the username and password provided within the link page.

If you have any problems with the **UKValuation** system including access, please contact the Mortgage Brain Premier Customer Support Team on **0871 384 0194** or email helpdesk@mortgage-brain.co.uk

Take a look at the free user guide...
